# Gea

CREMA

A horizontal rectangular swatch of a light beige or cream-colored material with a fine, granular texture. The color is uniform across the surface.

MOSTAZA

A horizontal rectangular swatch of a medium brown or tan color with a coarse, fibrous texture. The surface shows some darker spots and variations in tone.

NUEZ

A horizontal rectangular swatch of a dark brown or charcoal color with a fine, granular texture. The surface is relatively uniform in color.

CENIZA

A horizontal rectangular swatch of a light gray or off-white color with a fine, granular texture. The surface is mostly uniform with a few small dark specks.

GRIS

A horizontal rectangular swatch of a dark gray or charcoal color with a fine, granular texture. The surface is mostly uniform with a few small dark specks.
